REMARKS

New Price! Getting a home with all the features this one has to offer at this price should be a crime but luckily for you its not! This full brick home sits on 5.5 beautiful acres (horses are invited) and boasts an in-ground pool with a pool house, a hot tub, multiple decks, a screened-in porch, and a 2600 sq ft building /barn!! Best of all the home is conveniently located to major interstates, employers, shopping areas, and downtown Greenville & Spartanburg - just 7 miles to I-85 or to Five Fork's shopping & restaurants, just 8 miles to BMW, 11.5 miles to GSP International Airport, 12 miles to Michelin, and less than a 30 minute drive to downtown Greenville. But you're still removed enough to enjoy the privacy and affordability that only country living can offer. The home basically offers four master bedrooms - three out of the four bedrooms boast walk-in closets and all four have their own full bathroom. The main level owner's suite still out performs all the others though with an incredible 5 piece bathroom, a highly functional walk-in closet that offers access from the bedroom as well as the bathroom, and access to the deck and hot tub. The kitchen is the centerpiece of the home with granite countertops, top of the line stainless steel appliances, a huge pantry, an office nook, and a breakfast area. And let's not forget about the private bonus room above the garage with its own separate staircase that would be perfect for a home office, man cave, or game room! As you walk outside the property just keeps getting better - a beautiful in-ground pool with its own 648 sq ft pool house that features a 1/2 bath and a kitchenette - buy this house and you're guaranteed to be the permanent host amongst your friends for Fourth of July and Memorial Day barbecues! Keep going further down the property and you'll find the 60x45 building/barn with two 20' tall doors - the possibilities for this building are limited only by your imagination. For the horse lovers there's fenced pasture! There are just way too many other features to list - a property like this wasn't meant to be written about, it was meant to be seen so call today for your private showing. All buyers must have a pre-approval letter prior to viewing. PLEASE NOTE - Taxes are currently assessed at 6% - per Spartanburg County assessor's office the taxes for an owner occupant would only be approx \$2280.

**STATE OF SOUTH CAROLINA
RESIDENTIAL PROPERTY CONDITION
DISCLOSURE STATEMENT**

The South Carolina Code of Laws (Title 27, Chapter 50, Article 1) requires that an owner of residential real property (single family dwelling unit or a single transaction involving transfer of four dwelling units or less) shall provide to a purchaser this completed and signed disclosure statement prior to forming a real estate contract. This disclosure must be provided in connection with any sale, exchange, installment land sale, and lease with an option to purchase contract. This disclosure statement is not required in connection with transactions listed and exempted by South Carolina Code Section § 27-50-30.

Owners should answer the questions fully, honestly, and appropriately by attaching documents, checking a box for each check box question, and writing in the blanks on this disclosure statement.

If a question is answered "yes" or asks for a description, then owner must explain or describe the issue or attach a descriptive report from an engineer, contractor, pest control operator, expert, or public agency. If owner attaches a report, owner shall not be liable for inaccurate or incomplete information in the report unless owner was grossly negligent in obtaining or transmitting the information. If owner fails to check "yes" or make a disclosure and owner knows there is a problem, owner may be liable for making an intentional or negligent misrepresentation and may owe the purchaser actual damages, court costs, and attorney fees. If a question is answered "no" for any question, the owner is stating that owner has no actual knowledge of any problem.

If a question is answered "no representation" for any question, owner is stating that owner is making no representation regarding the conditions or characteristics of the property, but owner still may have a duty to disclose information that is known or should have been known.

If a question is answered and subsequently new information is obtained or something changes to render the owner's answer incorrect, inaccurate, or misleading (example: roof begins to leak), owner must promptly correct the disclosure. In some situations, the owner may notify the purchaser of the correction. In some situations, the owner may correct or repair the issue.

If owner is assisted in the sale of property by a real estate licensee, owner remains solely responsible for completing and delivering this disclosure statement to the purchaser. The real estate licensee must disclose material facts about the property if the real estate licensee knows or reasonably should have known about the issue, regardless of owner responses on this disclosure. Owner is solely responsible to complete this disclosure as truthfully and fully as possible. Owner and purchasers are solely responsible to consult with their attorneys regarding any disclosure issues. By signing below, owners acknowledge their duties and that failure to disclose known material information about the property may result in owner liability.

Owner must provide the completed disclosure statement to the purchaser prior to the time the owner and purchaser sign a real estate contract unless the real estate contract states otherwise. Owner should provide a signed copy to the purchaser and keep a copy signed by the purchaser.

A real estate contract, not this disclosure, controls what property transfers from owner to purchaser.
