

# Join the Crusade!

Many of you have felt the devastating pain of a cancer diagnosis personally or for someone close. The stress of facing high medical costs and living expenses when you can't work is overwhelming. Dave Taylor is now in that league of cancer fighters. He has recently been diagnosed in stage 4 of pancreatic cancer...Dave operated New Day Physical Therapy in Greer, SC for several years until recently having to close it. He had a thriving business because of his level of care and concern for each patient. His love for his Lord, his family, his friends and each and every person he treated came across strong. Simply put, he is an awesome man on all levels! Everyone who knows him, loves him dearly.

It's at a time like this that we don't know what to do for each other as we can't take the physical pain away. We CAN however relieve some of the stress of how to meet the daily expenses and pay those high medical bills when you can no longer work. HOW? Through lots of prayer and hard work! A group of friends have come together "DAVE'S CANCER CRUSADERS". Not only are the DCC's working hard planning one event after another. From spaghetti dinners, BBQ dinners, the Big Yard Sale, Online Auctions....you name it and donations are gladly accepted through a website designed by one of the DCC's [www.davidtaylorgreersc.com](http://www.davidtaylorgreersc.com). there you can keep up with his progress and the upcoming events.

Greer, SC might be a small city, but the hearts of the business owners here are beyond BIG! Many have agreed to donate a portion of the proceeds of the meals eaten at their restaurants on DAVE DAY's... again, check the calendar of events. The events will continue until this cancer has been defeated!

WHAM has offered their parking lot for the yard sale and if you have any donations you can bring them to WHAM Showroom for storage until the 29th. Please call Pam Brown 864-420-3139 for information.

WHAM will also be accepting any high end items for online auctions and 100% of the monies received will go to the Dave Taylor fund!
